FUND RAISER WEB APPLICATION		
--------------------------------------	--	--

Objectives ✓ The main objective of this project is to provide a platform for people to donate funds for the poor, homeless people in India from all over the world. ✓ This platform also allows the interested people to volunteer in helping the needy.	Need Statement ✓ There are 1.77 million homeless people in India nearly 0.15% of the country's total population. As to solve the problems of funding money or necessities physically, this web platform provide powerful and easiest way to donate funds for those people all over the India.	SDG & Sub-SDG ✓ Our goal was to develop a simple and easy to use platform for the people who want to help the poor by donating funds and also volunteer in social activities.
